BHARAT KA VISHWASNIYA

About Us

ENMAKK, a distinguished name in the realm of doors and windows industry, proudly belongs to the revered **Makhijani Group**, a pioneering force with over three decades of expertise in PVC and various polymers. With a stellar track record distributing over 4 lakh tonnes of polymers annually, we are the trusted choice for businesses nationwide.

Our core expertise lies in providing a wide range of high-quality commodity and engineering polymers that cater to diverse industrial needs. At **Makhijani Group**, we blend precision with innovation to ensure top-notch quality and unmatched reliability in every transaction. Partner with us for seamless polymer solutions delivered with professionalism and integrity.

Specializing in manufacturing uPVC window profiles, ENMAKK excels in delivering products that redefine durability, aesthetics, and performance. With a state-of-the-art extrusion facility in Delhi-NCR, ENMAKK has established new benchmarks in the doors and windows industry.

Expanding our commitment to comprehensive solutions, ENMAKK offers an avant-garde aluminium window system, manufactured in collaboration with our trusted extrusion partner, **Jindal Aluminium.** This partnership ensures the highest quality aluminium profiles that perfectly blend elegance, strength, and functionality. Our aluminum systems complement our uPVC range to provide customers with complete, superior window and door solutions.

More than a brand, ENMAKK is a promise of innovation, a testament to precision, and a gateway to elevated living spaces. Rooted in a legacy of expertise and focused on the future, ENMAKK is your definitive partner for window solutions that seamlessly blend aesthetics, functionality, and endurance, truly making it the “Bharat ka Vishwasniya”.
